BIBLIOGRAFIA

- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Preliminary basis of design offshore, doc. n. MR-1255-001 rev. 4, Ple-Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Hydraulic study report offshore, doc. n. MR-1255-003 rev. 4, Ple-Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Preliminary design report, doc. n. MR-1255-007 rev. 2, Ple -Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Offshore route selection report, doc. n. MR-1255-010 rev. 2, Ple-Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – OMR philosophy, doc. n. MR-1255-011 rev. 1, Ple-Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Preliminary implementation schedule-offshore, doc. n. MR-1255-013 rev. 2, Ple-Intec, 22.10.04
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Alternative Italian landfall screening study, doc. n. MR-1255-020 rev. 0, Ple-Intec, 21.01.05
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Alternative northern route screening study, doc. n. MR-1255-021 rev. 1, Ple-Intec, 11.03.05
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Italian authorities approval support – Additional information on cable crossing procedure and shore approach schedule – interoffice memorandum, doc. n. 31030505/IOM/001, Intec, 3.04.06
- IGI Project- EIA - Intec e-mail to Edison, Intec, 20.07.06
- Survey and Engineering Consultancy Services for the Interconnector Greece – Italy – Check of preliminary route report, doc. n. 001 – TRP – 001 rev. 0, Intec, 04.12.06.
- Reconnaissance Marine survey for the Interconnector Greece – Italy – Survey Scope of Work and Technical Specifications, doc. n. 001- SOW – 001, rev. 1, 04.12.06.

- Reconnaissance Marine survey for the Interconnector Greece – Italy – Daily Progress Report, doc. n. IGI-DSR-001 to IGI-DSR-056, September-October 2007.
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Otranto Landfall, HDD study report, doc. n. 001- TRP -001, rev.1, Intec, 05.08.07.
- Technical Feasibility study for the Interconnector Greece-Italy (IGI) – Italian Authorities Approval support, doc. n. 001- TRP -001, rev.3, Intec, 15.07.07.
- IGI Project- HDD - Intec e-mails to Edison, Intec, October and November 2007.
- Marine Survey Services for Gas Interconnector Greece – Italy, Final Report, MMT ab, 28.12.07.
- Survey and Engineering Consultancy Services for the Interconnector Greece-Italy (IGI) – Route Selection Report , doc. n. 31040901 -001 –TRP -004, rev B, Intec, 05.02.08.
- Survey and Engineering Consultancy Services for the Interconnector Greece-Italy (IGI) – Design Review and Capex Estimate Report , doc. n. 31040901 -001 –TRP -005, Intec, 05.03.08.
- Detailed Marine Surveys Engineering Advisory Services - Geohazard Report, doc. n. 053192.01 – 030 – P – 3 – 001, JPKenny, 22.12.08
- Detailed Marine Surveys Engineering Advisory Services - Integrated DMS Routing Report, doc. n. 053192.01 – 030 – P – 3 – 001, JPKenny, 02.01.09
- Otranto Landfall HDD Interaction Study, doc. n. 31040904 – 001 – TRP – 001, IntecSea, 10.02.09
- IGI Poseidon Italian Authorities Approval Support Update, doc. n. 31040905 – 001 – TRP – 001, IntecSea, 25.11.09
