Pegli da Scoprire

A black and white photograph showing a coastal scene. On the left, a wide beach meets the sea. In the middle ground, a long, low building with a flat roof runs parallel to the beach, with many umbrellas set up in front of it. To the right, a stone wall separates the beach area from a hillside town. The town features several buildings, including a prominent church with a tall bell tower. In the background, there are rolling hills under a cloudy sky. A large, semi-transparent watermark "Pegli da Scoprire" is overlaid across the center of the image.
