

This aerial map displays a proposed road layout, likely for a new road or a significant modification to an existing one. The layout is defined by a series of numbered points (1 through 7) and associated elevation data. The road is shown as a light-colored, straight section transitioning into a curved section. The surrounding area is a mix of green fields and some built-up areas, including a small cluster of buildings and a road intersection on the right. A north arrow is located in the top right corner of the map.

The proposed road layout is defined by the following points and elevations:

- Point 1: Elevation 60.90
- Point 2: Elevation 60.87
- Point 3: Elevation 60.80
- Point 4: Elevation 60.55
- Point 5: Elevation 60.30
- Point 6: Elevation 60.51
- Point 7: Elevation 60.42
