

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

LEGENDA
UNITE' QUATERNARIE
UNITE' TETTONICA GIOPPA D'ANZI
UNITE' TETTONICA VAGLIO BASILICATA
UNITE' TETTONICA SAN CARICO

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

UNITE' TETTONICA VAGLIO BASILICATA
UNITE' TETTONICA SAN CARICO
ELEMENTI STRATIGRAFICI E STRUTTURALI

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

INDAGINI GEOSTRUCTURALI PER PFTE
INDAGINI PREGRESSIVE

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

Table with columns for levels (LIVELLE) and distances (DISTANZA), showing data points for various geological sections (1-17) including elevations, coordinates, and scale information.

INDAGINI GEOSTRUCTURALI PER PFTE
INDAGINI PREGRESSIVE

Table with columns for DISTANZE PARZIALI, DISTANZE PROGRESSIVE, QUOTE TERRENO, QUOTE PROGETTO, and ETIMOMETRICHE.

Table with columns for ANDAMENTO PLANIMETRICO and SOPRAELEVAZIONI.

GEOLGIA GEOTECNICA
Geologia
Profilo geologico - Tav. 4 di 4

Table with columns for CODICE PROGETTO, NOME FILE, REVISIONE, and SCALA. Includes a revision log table.
