INTEGRAZIONI ALLO STUDIO DI IMPATTO AMBIENTALE

Pozzo esplorativo “Carpignano Sesia 1 Dir”

*Capitolo 3 – Risposta alle Richieste di integrazioni della
Regione Piemonte prot. 5588/A19070 del 13/04/2015*

*Allegato 3.8 – Documentazione tecnica relativa ai motori di
un impianto di perforazione tipo*

DECLARATION OF INCORPORATION

According to EU 98/37/ECC, article 4.4, attachment II, section A

MANUFACTURER : Compagnia Generale Trattori S.p.A.
ADDRESS : Via Ettore Ara 12
13100 Vercelli VC

We, Compagnia Generale Trattori S.p.A., declare that the equipment hereunder described:

- Diesel generator set consisting of :
 - o diesel engine Caterpillar 3512C model, serial number LLA01183, year of construction 2008
 - o synchronous generator Kato 6P6-2650 model, serial number 21202-01, year of construction 2008
- Generator set year of construction: 2008

It has been designed to be incorporated in a complex installation according to the following CEE requirements and their amendments:

EEC directives	Date
89/392/EEC	01/01/1993
89/336/EEC	03/05/1989
73/23/EEC	01/01/1997

The machinery described above is in compliance to the following standards: EN292, EN50081-2, e EN50082-2.

The machinery has not to be put in service until the complex installation in which it has to be incorporated it has not been declared in conformity to the above directives and the CE nameplate has not been fixed on the installation by the installer.

Date : 23/01/2009

Declared by :

Eng. Sergio Visentin

We, Compagnia Generale Trattori S.p.A., declare that the equipment hereunder described:

- Diesel generator set consisting of :
 - o diesel engine Caterpillar 3512C model, serial number LLA01184, year of construction 2008
 - o synchronous generator Kato 6P6-2650 model, serial number 21202-02, year of construction 2008
- Generator set year of construction: 2008

It has been designed to be incorporated in a complex installation according to the following CEE requirements and their amendments:

EEC directives	Date
89/392/EEC	01/01/1993
89/336/EEC	03/05/1989
