REGISTRO UFFICIALE - INGRESSO
Prot. 0004958/DVA del 25/02/2016

Dear all,

Adriatic Sea and its offshore are immense and unique natural and cultural values, of unparalleled importance not only for the region, but for Europe and the world.

The Exploration and Production of Hydrocarbons (oil and gas) on the Adriatic Sea offshore Montenegro will undoubtedly seriously degrade this unique sea and its offshore, so I call upon all relevant institutions not to allow it.

Sincerely,
Igor
