

The floor plan illustrates the layout of the Lloyd's building, featuring a central hall (5) and a large conference room (6). The plan is color-coded with green and pink circles and includes a network of green lines representing the fire alarm system. Key areas include a large central hall (5), a large conference room (6), and several smaller meeting rooms (7-10). The plan also shows the building's entrance, exit, and emergency exit, as well as the location of the fire alarm control panel (E120).
