Project title: PA17/08 - PERIZIA DI VARIANTE N.2 - GEOLOGIA GEOTECCNICA E SISIMICA. Client: Bioginetta S.p.a. Includes logos for ANAS S.p.A., ENSENER, and other project partners. Also includes technical specifications like 'Codice Unico Progetto (CUP): F41B03000230001' and 'Codice elaborato: PA17/08 PE GT L 0 0 9 5 0'.

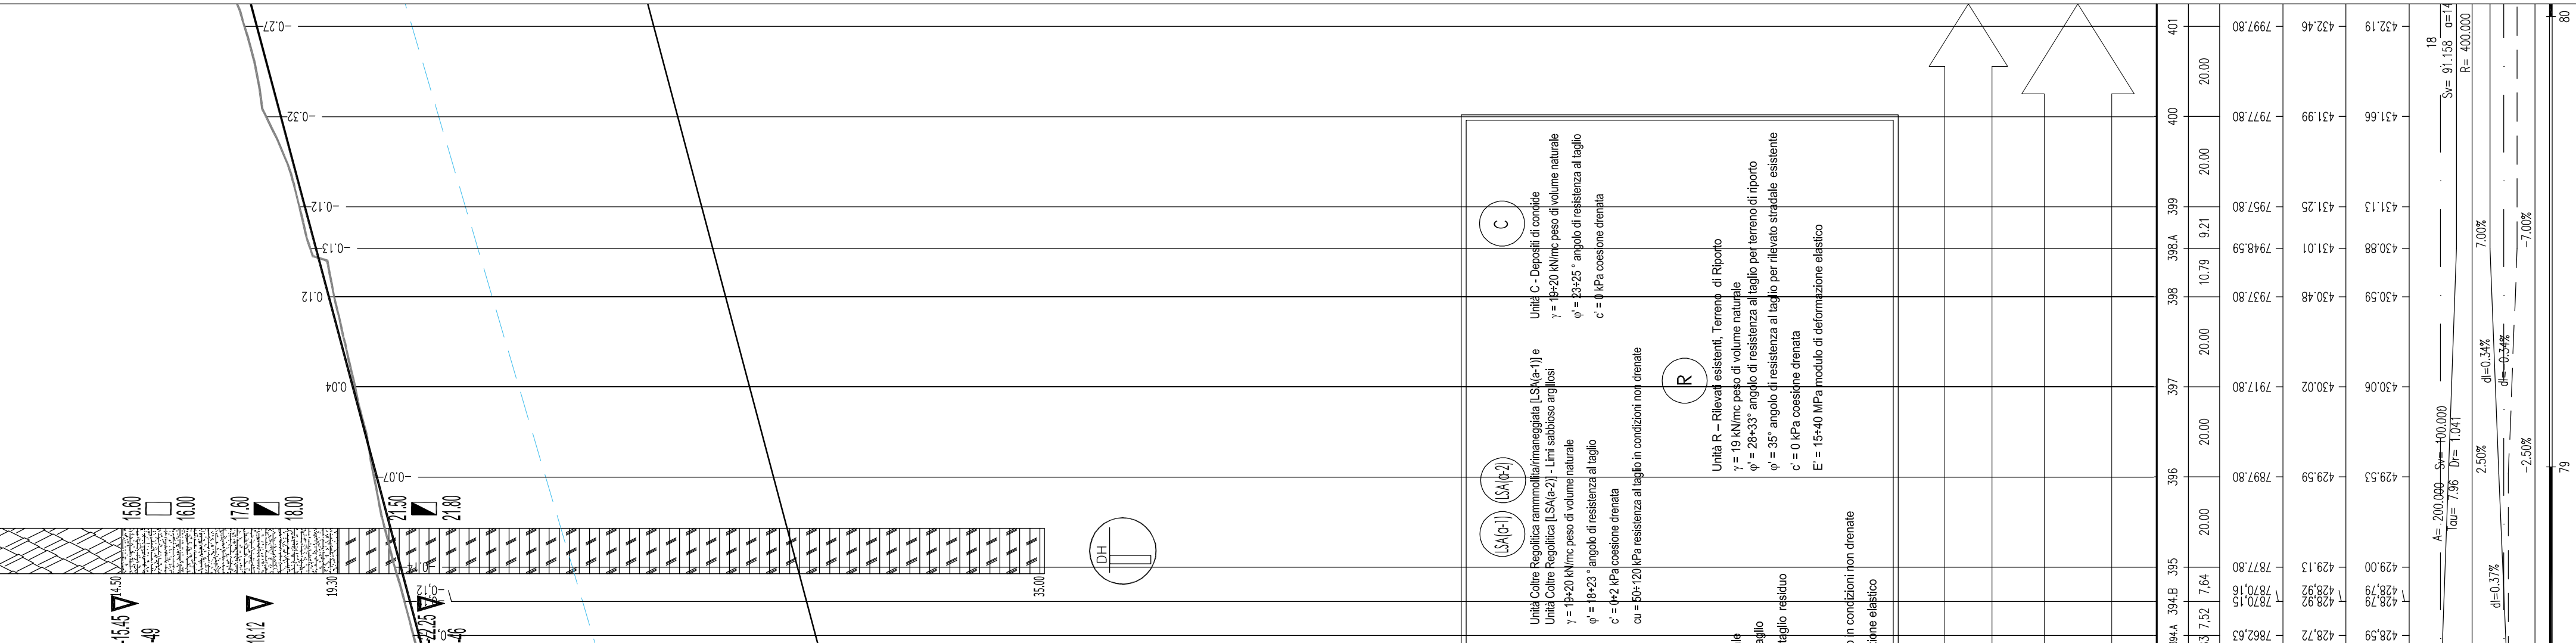

Table with columns for 'MARGINE SINISTRO' and 'MARGINE DESTRO'. Each column has sub-columns for 'S.M', 'R', and 'AG'. It lists stationing points from 0+00 to 13+00 and provides corresponding elevation data.

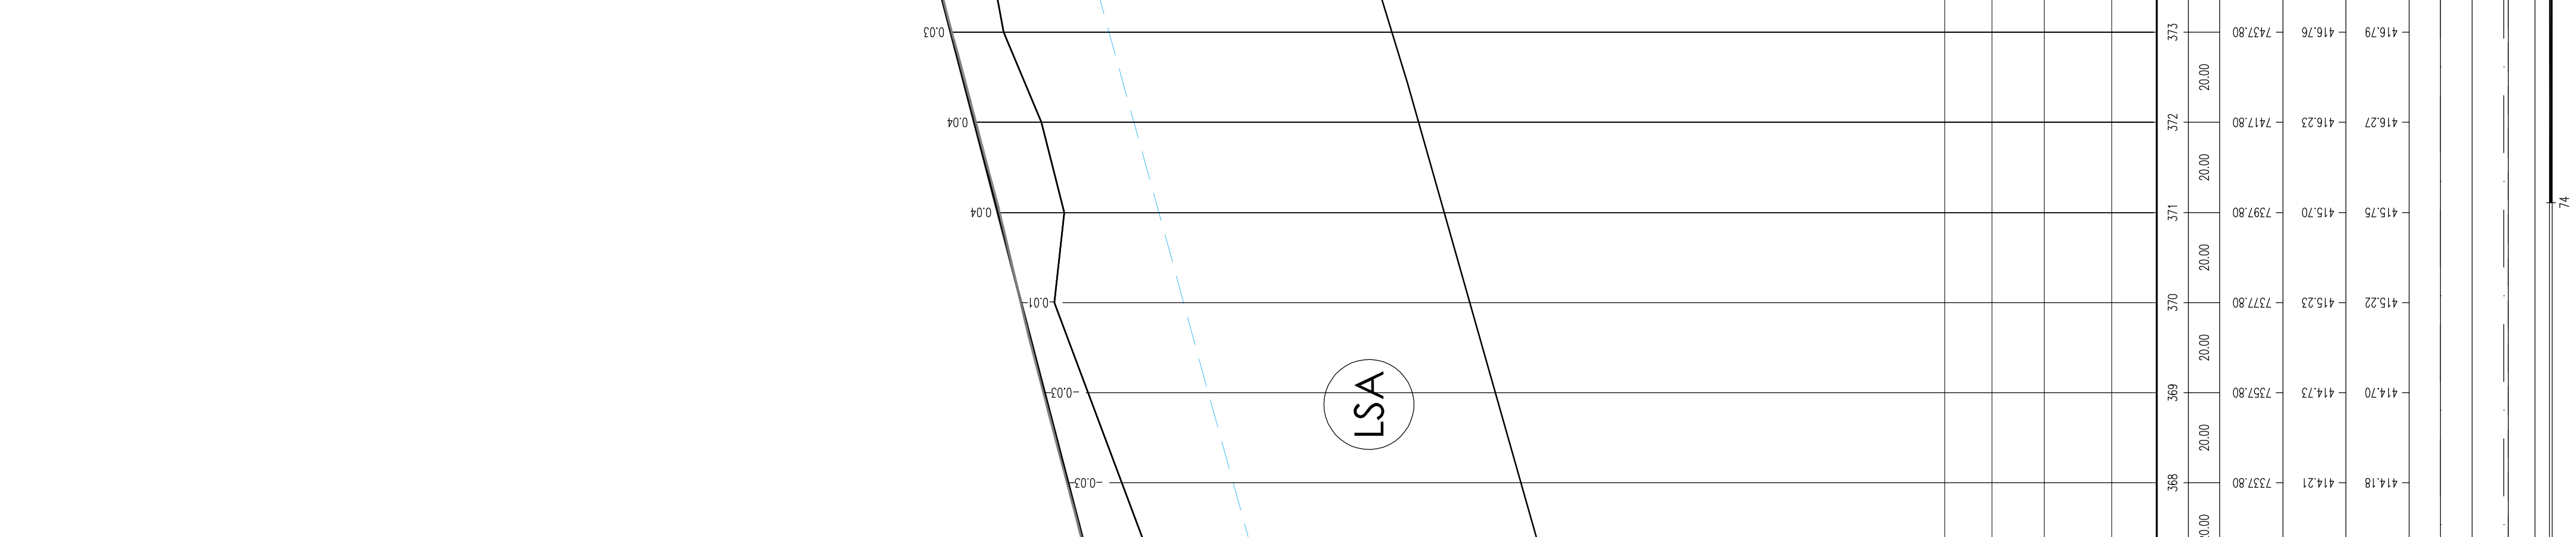

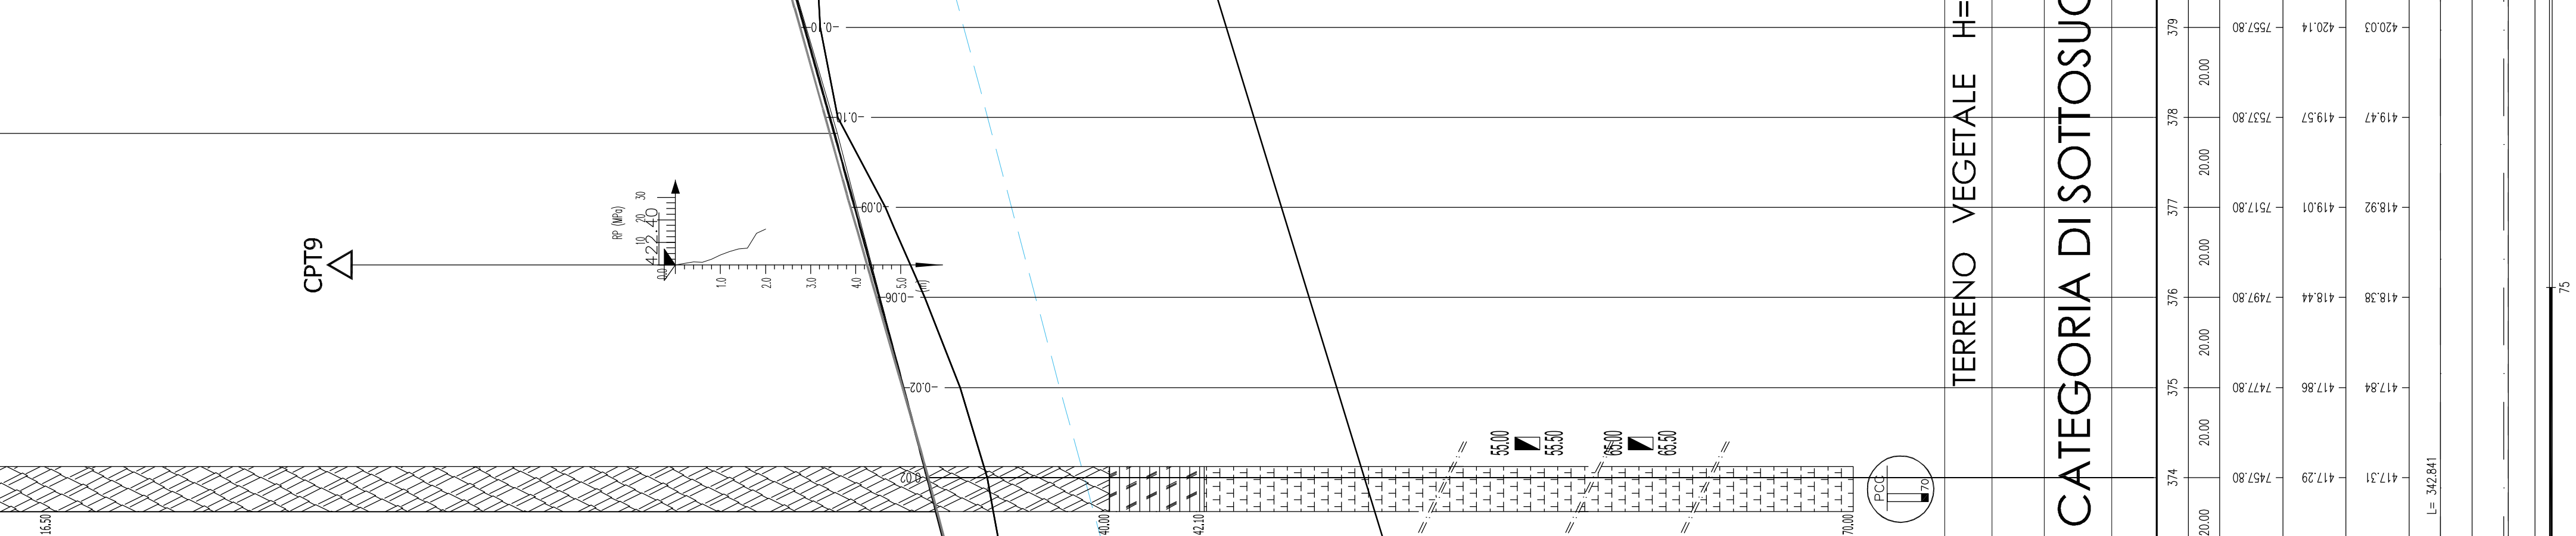

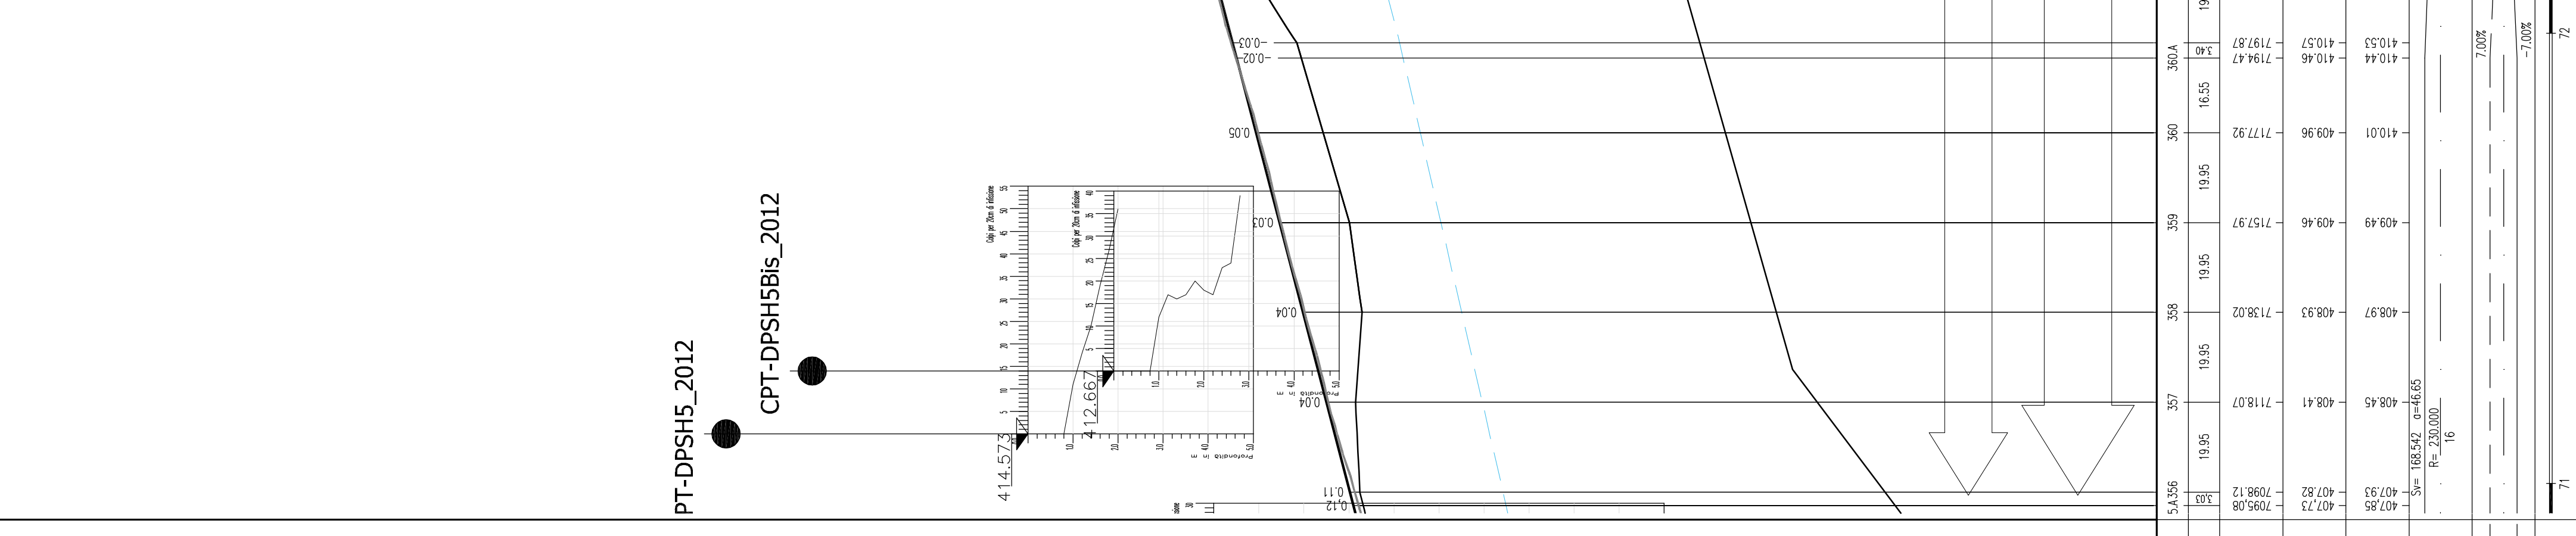

Table with columns for 'MARGINE SINISTRO' and 'MARGINE DESTRO'. Each column has sub-columns for 'S.M', 'R', and 'AG'. It lists stationing points from 13+00 to 14+00 and provides corresponding elevation data.

Technical notes and specifications for the geotechnical and geological analysis. It includes details on soil sampling, testing methods, and classification criteria.
