The drawing consists of four parts:

- Section 13:** A vertical section with a total height of 728 and a width of 45. It shows a dashed outline of a structure with a central vertical element.
- Section 14:** A vertical section with a total height of 731 and a width of 45. It shows a solid outline of a structure with a central vertical element.
- Section 15:** A vertical section with a total height of 704 and a width of 40. It shows a dashed outline of a structure with a central vertical element.
- Section 16:** A detailed cross-section of the facade. It shows a vertical wall with a central opening. The wall is composed of several layers, including a central core (16) and outer layers (36). The opening is defined by a frame (11, 13, 14, 15) and a door (17). The wall is supported by a base (20, 21) and a roof (18, 19). The section is labeled with various numbers (1, 3, 4, 5, 6, 8, 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 23, 24, 25, 26, 27, 28, 29, 30, 31, 32, 33, 34, 35, 36, 37, 38, 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100) indicating different components and materials.

Technical drawing of a rectangular building plan. The overall dimensions are 825 (width) and 907 (height). The drawing includes a grid system with points numbered 1 through 27. The plan shows internal walls, a central corridor, and a staircase area. Dimensions are given in meters (m). The drawing is oriented with the long side horizontal.

Dimensions and points:

- Overall width: 825
- Overall height: 907
- Internal width (excluding walls): 725
- Internal height (excluding walls): 686
- Points: 1, 2, 3, 4, 5, 20, 21, 24, 25, 26, 27
