

Tracciato W5 - Sez. 1 - Progr. 0+000.00  
Scala 1:200  
Q.Alt. 280.00m

Technical drawing for Tracciato W5 - Sez. 1 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 2 - Progr. 0+050.00  
Scala 1:200  
Q.Alt. 270.00m

Technical drawing for Tracciato W5 - Sez. 2 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 3 - Progr. 0+100.00  
Scala 1:200  
Q.Alt. 280.00m

Technical drawing for Tracciato W5 - Sez. 3 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 4 - Progr. 0+150.00  
Scala 1:200  
Q.Alt. 280.00m

Technical drawing for Tracciato W5 - Sez. 4 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 5 - Progr. 0+200.00  
Scala 1:200  
Q.Alt. 280.00m

Technical drawing for Tracciato W5 - Sez. 5 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 6 - Progr. 0+250.00  
Scala 1:200  
Q.Alt. 290.00m

Technical drawing for Tracciato W5 - Sez. 6 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 7 - Progr. 0+300.00  
Scala 1:200  
Q.Alt. 300.00m

Technical drawing for Tracciato W5 - Sez. 7 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Tracciato W5 - Sez. 8 - Progr. 0+316.61  
Scala 1:200  
Q.Alt. 300.00m

Technical drawing for Tracciato W5 - Sez. 8 showing ground and project profiles with associated data tables for progressive terrain, quotes, partial distances, progressive project, project quotes, and partial project distances.

Project title block for 'Regione Basilicata' and 'Provincia Matera', detailing the project name 'PROGETTO PER LA REALIZZAZIONE DI UN PARCO EOLICO E DELLE RELATIVE OPERE DI CONNESSIONE ALLA RTN', client 'Comune di San Mauro Forte e Salandra', and project details including code, authorization, scale, and dates.
