

Technical drawing of a road project showing a longitudinal section and a plan view.

Longitudinal Section:

- Vertical curve data tables are provided for each section, including:
 - PK (Starting Point)
 - CV (Curve Length)
 - SP (Slope)
 - W (Width)
 - T (Total Length)
 - E (Elevation)
- Key points on the profile include:
 - MI. ROGOREDO (Left)
 - GENOVA (Right)

Plan View:

- Shows the road alignment with stationing from 0+000 to 0+900.
- Includes labels for "Kilometro" and "Quota" (Elevation).
- Scale: 1:200 (for the profile) and 1:5000 (for the plan).
