	SENSORE RILEVAZIONE INCENDI A DOPPIA TECNOLOGIA

VISTA BY-PASS DALL'ESTERNO

Diagram of a car's front end with callouts 6, 7, 8, 9, 10, and 11 pointing to various components.

This technical drawing illustrates a kitchen layout with various fixtures and appliances. The layout includes a large central island, a sink area, a stove area, and a storage area. Numbered callouts (1-15) point to specific components, which are shown in detail in the photographs on the right.

- 1:** Points to the main countertop area.
- 2:** Points to the sink area.
- 3:** Points to the stove area.
- 4:** Points to the storage area.
- 5:** Points to the upper cabinets.
- 6:** Points to the lower cabinets.
- 7:** Points to the island countertop.
- 8:** Points to the island sink.
- 9:** Points to the island stove.
- 10:** Points to the island storage area.
- 11:** Points to the island upper cabinets.
- 12:** Points to the island lower cabinets.
- 13:** Points to the island countertop.
- 14:** Points to the island sink.
- 15:** Points to the island stove.

The photographs on the right show the following items:

- 1:** A large, light-colored rectangular panel.
- 2:** A white, rectangular sink.
- 3:** A white, rectangular stove.
- 4:** A white, rectangular storage unit.
- 5:** A white, rectangular upper cabinet.
- 6:** A white, rectangular lower cabinet.
- 7:** A white, rectangular island countertop.
- 8:** A white, rectangular island sink.
- 9:** A white, rectangular island stove.
- 10:** A white, rectangular island storage unit.
- 11:** A white, rectangular island upper cabinet.
- 12:** A white, rectangular island lower cabinet.
- 13:** A white, rectangular island countertop.
- 14:** A white, rectangular island sink.
- 15:** A white, rectangular island stove.
