COVID-19 - SICUREZZA DEI LAVORATORI

PROTOCOLLO CONDIVISO DI REGOLAMENTAZIONE PER IL CONTENIMENTO DELLA DIFFUSIONE DEL COVID-19 NEI CANTIERI EDILI
L'obiettivo del presente protocollo condiviso di regolamentazione è fornire indicazioni operative finalizzate a incrementare nei cantieri l'efficacia delle misure precauzionali di contenimento adottate per contrastare l'epidemia di COVID-19.

LEGENDA

- Installazione cantiere
Area di pulizia, disaggio e disboscamento
Montanti barriere paramassi di progetto
Reti in acciaio barriere paramassi
Fettuccia bianco-rossa
Barriere paramassi esistenti
Barriere paramassi esistenti che verranno demolite
Recinzioni con pannelli in lamiera grecata

KEY PLAN

LEGENDA CARTELLONISTICA D.LGS 81/08 E S.M.I.
