The figure displays a topographic survey plan with various tables and diagrams. At the top left, it shows 'Lunghezze 1: 1000' and 'Altezze 1: 100'. In the center, there's a title 'Limite investigato' and 'Q.RIF. -40.00'. Below these are several tables: 'DISTANZE PROGRESSIVE', 'DISTANZE PARZIALI', 'QUOTE PROGETTO', 'QUOTE TERRENO', 'DIFFERENZA QUOTA P/T', and 'ETTOMETRICHE'. The 'ETTOMETRICHE' table contains data points labeled 182, 183, 184, and 185. The 'ANDAMENTO PLANIMETRICO' section includes a planimetric profile with points L=336.50, A=407.80, and L=255.85. The 'ANDAMENTO CIGLI' section shows a zigzag profile with percentage values like -2.50%, -3.38%, and 2.50%. A red horizontal bar at the bottom represents a velocity diagram with '120 km/h' written above it.
