

This figure is an aerial photograph of a mountainous region, overlaid with a contour map. The map shows the terrain's elevation and features several labeled points of interest. The contour lines are black, and the elevation points are marked with colored dots and labels. The points are distributed across the mountain, with some clustered in the central and lower-left areas. A scale bar at the bottom indicates distances in meters, ranging from 0 to 1,200. A north arrow is located in the top-left corner.

Key Features and Labels:

- Contour Lines:** Black lines representing elevation contours, with a yellow line highlighting a specific contour level.
- Elevation Points:**
 - T1, T2, T3, T4, T5, T6, T7, T8, T9, T10, T11, T12:** Points marked with blue dots and labels, likely representing specific elevation or temperature measurements.
 - F08, F21, F23, F50:** Points marked with red dots and labels, likely representing specific elevation or flow measurements.
- Scale Bar:** Located at the bottom, showing distances in meters (0, 600, 1,200).
- North Arrow:** Located in the top-left corner, pointing towards the top of the image.
