

Table with columns: N. Sezione, Quote Terreno, Differenza Progetto, Quota di quota, and data columns for various boreholes and sections.

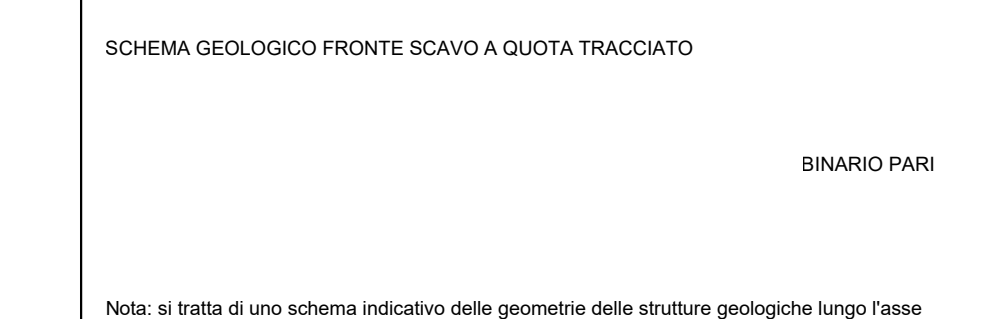

Table with columns: INTERFERENZE, COPERTURE (m), and detailed geological notes for different stratigraphic units.

LEGGENDA

Legend table with columns: DEPOSITI ANTROPICI, DEPOSITI CONTINENTALI QUATERNARI, UNITA SIN-OROGENE DEL MESSINIANO SUPERIORE, UNITA SIN-OROGENE DEL MIOCENE MEDIO-SUPERIORE, UNITA TETTONICA DI FRIGENTO, UNITA TETTONICA DEL FORTORE, UNITA TETTONICA DELLA DAUNIA, and UNITA A LIMITI INCONFORMI DEL PLOCCONE.

SIMBOLOGIA

Table of symbols and descriptions for morphological elements and hydrogeological elements.

Table of symbols and descriptions for geognostic investigations, including continuous drilling and borehole data.

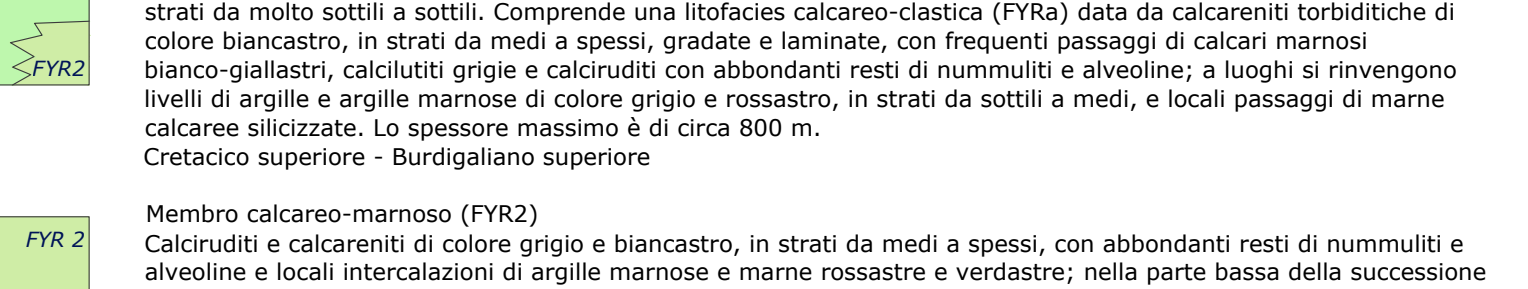

Table with columns: COMMITTEE, DIRECTION OF WORKS, APPLICANT, and SOCI.

Table with columns: PROJECTING, MANDATORY, and MANDATE.

Table with columns: PROJECT EXECUTIVE, ITINERARY, and PROJECTING.

Table with columns: APPLICANT, DIRECTOR OF THE PROJECTING, and PROJECTING.

Table with columns: COMMITTEE, DIRECTION OF WORKS, APPLICANT, and SOCI.

Table with columns: PROJECTING, MANDATORY, and MANDATE.

Table with columns: PROJECT EXECUTIVE, ITINERARY, and PROJECTING.

Table with columns: APPLICANT, DIRECTOR OF THE PROJECTING, and PROJECTING.

Table with columns: COMMITTEE, DIRECTION OF WORKS, APPLICANT, and SOCI.

Table with columns: PROJECTING, MANDATORY, and MANDATE.

Table with columns: PROJECT EXECUTIVE, ITINERARY, and PROJECTING.

LEGGENDA INDAGINI GEOGNOSTICHE

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.

Table of symbols and descriptions for geognostic investigations, including borehole types and gas manifestations.
